DHAKA · NASA-2026-0320

Final local submission

Dreams Of X. This is what the local judges use. Fill in every section and press **Submit final**. You can change it and resubmit until the deadline.

Submitted 13 Nov 2026, 04:53 PM

Closes 13 Nov 2026, 06:00 PM (Bangladesh time) · **1 h 6 min left**

01 Team

Everyone on the team, their university or organisation, and what they did. Tick *Female* for each female team member: it counts towards the female participation bonus, is verified, and is never shown publicly. Tick *Under 18* for anyone younger than 18: you'll then add their parent's or guardian's consent, which is needed to submit.

Project details *

Where you shine: how it works, the challenge it answers, what you'd build next.

THE CHALLENGE: ABANDONED BUT NOT FORGOTTEN
NASA left machines on the Moon and Mars. We tell eight of their stories: Surveyor 3, the Apollo 11 laser reflector, the Apollo 15 rover, Apollo 17's lander and its taped fender on the Moon; Viking 1, Sojourner, Opportunity and Ingenuity on Mars. Each one is also a materials experiment that never

NASA SPACE APPS CHALLENGE

for Moon Manufacturing", 2026.

07 Declaration and agreements

- [x] Our project's interface is accessible, with sound and image: anyone can use it.
- [ ] Our NASA Space Apps project page is filled in and submitted on spaceappschallenge.org.

Optional, and it doesn't change your points. NASA opens project submissions on 14 November: submit there too once it opens, to be considered for global nomination.

Terms and agreements

NASA asks every participant to accept these. Open any of them to read it in full.

NASA Space Apps Participant Terms & Conditions NASA
Taking part, your submission and its open licence, third-party material, publicity, liability and NASA's media release.

NASA Space Apps standard of conduct NASA
No discrimination, harassment or bullying. Report concerns to your Local Lead or conduct@spaceappschallenge.org.

Local event terms of participation
Accurate information, our own work with sources and AI declared, the local rules, and the judges' decisions are final.

Local media and photo release
Organisers may photograph and film the event and use it to promote Space Apps. You can ask for an image to be removed.

Team members under 18
Anyone under 18 is registered with a parent's or guardian's consent, and isn't shown in the project.

Privacy For information
How the Local Event uses your details, and NASA's privacy policy.

- [x] I have read these, and **every member of my team agrees to them**. The information in this submission is accurate. *
